Remarks

This lovely stone twin on the edge of the Brandywine Creek State Park has been lovingly maintained and cared for and is ready for a new home owner. Just a few steps from Lovering Avenue you can have the best the city of Wilmington has to offer in conjunction with all the natural benefits and view of the Brandywine. Step into this beautiful living space through the arched front door and marvel over the hardwood floors, fireplace and original woodwork adorning this nearly 100 year young gem. The amount of natural light which pours in through the office and primary bedroom windows is stunning! The kitchen has been updated and upgraded with newer appliances and granite counters. The large wood deck just through the dining room slider is a wonderfully private space and overlooks your back yard and your off street parking. Upstairs are 3 generously sized bedrooms and a full bathroom with skylight. Down below is an unfinished basement with walkout to your private parking and could be finished into a quiet retreat. This house is perfectly situated in a popular part of town and only needs you to move in and enjoy. Come make this house your home.
